Thoughts from Governor Bill

Autumn has begun it's yearly display of dazzling colors and we are wrapping up our outdoor activities while making our Lion activities gather up steam. November is Diabetes Month. Diabetics is our new global service focus and a key addition to the Centennial Service Challenge. Consider hosting awareness campaigns, screening programs and helping expand treatment to stop this devastating disease. Clubs have one more year to serve in honor of the Lions Centennial. Make a difference in your community by planning a Diabetes project today.

A note to all clubs to make sure you have filed your 990's with the IRS. Also, be sure your club is in compliance

with the Ohio Attorney General. Remember if your club loses its tax exemption status it could cost your club up to \$850 to regain your status. Please have all Club officers check to be sure this is done. The state of Ohio is really cracking down on non-profit agencies and we MUST comply with their rules and regulations. Any questions or concerns, please contact Cabinet Secretary PDG John Davis.

Membership in our District so far this year is holding steady. As of this writing, we are only down 10 members. Let's all make an effort to add to our membership rolls and finish the year with a net gain in members.

I would like to thank Lions PDG Craig Gauger, Leon Grace, who joined me at Tent City in October. We worked the medical tent, helping with vision screening. Public turnout was terrific and we screened many homeless and low income families. We were able to provide information as to how to obtain help in obtaining glasses and vision care. This is a great program in Lucas County and we hope to help it grow in the future.

Please remember to exercise your right to vote this month. Many members of the armed forces sacrificed to make this possible. Please repay this debt by casting your ballot. If you do not vote you relinquish all rights to complain.

Lion Ellie and I would like to wish everyone a great Thanksgiving holiday. Enjoy time with friends and family. Thanks to all for your service.

Yours in Lionism,

District Governor Bill Niejadlik

Join us for the Worldwide Week of Service for Diabetes

Here's how your club can take part in this special event:

Plan your project - Host a service project that impacts diabetes in your community during the week of November 13-19.

Promote your project - Publicize your project to showcase your club and the power of service. Remember to wear your Lions branded gear when you're serving to increase your visibility.

Report your project - Report your service on the MyLCI Service Activity Report to help us reach new levels of service in our Centennial Service Challenge. Be sure to include the project date.

Celebrate Your Service: Share photos of your project on social media so everyone can see what a difference you're making in your community.

Bluffton Lions jumped into helping pack glasses for a St. Maarten VOSH mission sponsored by the St. Maarten's Lions Club. This has been rescheduled for the spring, due to hurricane damage.

LCIF Update

District OH1 has responded great with checks coming into LCIF, designated towards the hurricane relief funds. A reminder to mail these to...Barbara Plaughter, 62 Anna Circle, Bluffton, OH 45817 as your district's LCIF coordinator.

Also another need is the fight to eradicate measles and rubella around the world. This disease kills many kids each day in third-world countries. Lions have expanded our commitment to fight measles and rubella through 2017. The global goal for One Shot, One Life is to raise US \$30 million to ensure access to measles and rubella vaccines for children in the neediest countries of the world. These funds will be matched through the GAVI Alliance (with funding from the Gates Foundation and the United Kingdom's Agency for International Development).

What can we do as Lions? Try collecting the loose change at each meeting. Have your tail twister or other designated person provide a collection vehicle and pass it around during the meetings. Let's see what we can do to raise funds to fight measles for the remainder of this year.

PDG Barbara

President's Message

100 years ago, Lions Clubs was founded with just a handful of members and a dream to change the world. Over a century later, our 1.42 million members change the world every day through the Power of We. And we can achieve even more together.

That's why we set an ambitious LCI Forward goal of serving 200 million people per year. But to achieve ambitious goals, we must be ambitious. That's why I am asking you to help grow our association to 1.5 million members before July 2018.

To achieve it, we need to turn the thermostat up a notch. Let's turn up the heat on our membership efforts. We need every club to make adding new members a priority. We need every district to focus on chartering new clubs.

Reaching 1.5 million members is achievable. Rely on your Global Action Team and the GMT, who are there to support you. And make sure you've filled your district's GMT District Coordinator position so your team is as strong as it can be.

When we work together to make new members and new clubs a priority, the impossible becomes possible.

Sincerely, Dr. Naresh Aggarwal,
Your International President

The **Delta-Liberty Lions Club** presented new personal dictionaries to all of the Liberty Center 3rd grade students on October 5, 2017.

According to Stephen Seagrave of the Delta-Liberty Lions Club, "Service to youth and literacy are two of the service missions of Lions International. The dictionary project for our LC children ties both of these missions together." The 3rd graders were shown a Power Point about Lions community service and how the dictionaries could be used as reference tools. The children were amazed to learn that the longest word in the dictionary has 1909 letters.

The dictionaries the children received include special sections and reference material beyond a simple dictionary. This makes it useful in many ways for reference. Other sections include:

- Information about weights and numbers
- Information about our country and the 50 states
- Maps of the world and information about various countries
- Pictures of sign language hand positions and Braille designs

Current Lions Club projects include: (1) provide eyeglasses for needy PDY & LC residents, (2) provide dictionaries for PDY & LC 3rd grade students, (3) collect and recycle used eyeglasses for the needy, (4) support our annual preschool vision screening project, (5) volunteer transportation for visually impaired residents in the Delta and Liberty Center area to stores and appointments, (6) support Backpack Buddies at PDY, and (7) a \$500 scholarship for graduating senior at PDY and at LC.

The Delta-Liberty Lions Club meets twice each month. This is open to the public. Anyone wishing to get involved in service to our community is welcome to attend. For more information please contact Ellen Bernal (419-351-8306) or Stephen Seagrave (419-822-4884).

The Ohio Lions state Youth Committee met on September 9, 2017. Below is information from that meeting:

- If you are on Facebook, please join our "Ohio Lions Youth" Facebook page. We are sharing postings about Leo & youth activities (past & upcoming) and photos as well.
- January 13, 2018 - Winter Retreat at Salt Fork State Park
- * We plan to have a Leo presentation and also a Leo-led project that everyone from the youngest attendee to the oldest person there could help with and learn about Leo Clubs at the same time.
- February 24, 2018 - 1st statewide Leo Convention at Peace Lutheran Church in Pickerington.
- * Will start at 10:00 a.m. and be over by 3:00 p.m.
- * Leos & Advisors at the September 9th meeting helped develop the agenda (leadership skills, projects, team building among the items).
- * Lunch will be provided. District Governors have been invited to attend and help with lunch duties.
- September 22, 2018 - Columbus, Ohio is the site for the Lions USA/Canada Forum from the 20th through the 22nd.
- * On the 22nd, it will be "Leo Day" and we are asking all clubs to participate.
- * We have been "strongly encouraged" to have a major Leo presence because we have a lot of Leo Clubs and Leos.
- * I'm working on getting a discounted rate for Ohio Leo Club members, advisors and "transporters" to attend. We are also hoping that we will have Leo Club members from other states and are contacting all the states that surround Ohio.

My thanks to all the Leo Clubs in District OH1, the Leo Advisors and the sponsoring Lions Clubs as well as to our Peace Poster/Peace Essay/Lion Cub Chair and the District Leo Chair for all the support you provide the youth in our district.
