Thoughts from Governor Dean Carruthers

The month of October is the beginning of the second quarter of our Lion year. We began the year with 1,658 members in the district as of 9/24/18 we have added 21 members but have also dropped 27 members which means we are - 6 for the year to date. For the month of September, I am hearing that there are several clubs that are preparing to add several members each. Great work.

My challenge to all clubs is to work at retaining any members that may be considering dropping from their club, if they can not then I challenge you to add a new member for each you lose plus a minimum of 1 more member than you started the year with. District Global Membership Team Chairperson PDG Dan Ritter is ready and willing to assist any club that would like his assistance in holding a membership drive or open house to get the message out about your club and what you do for your local community as well as the State, country and world.

With the fall season comes many activities in our lives, including Lions which require traveling, with this time of the year comes lots of deer, fog, rain and maybe even snow and wind. Please be extra careful on the roads at night and remember you & your family must be your first priority, if you feel it is unsafe to be on the road I want you to forgo the lion meeting or activity, (Please call and advise someone that you will not be attending) we will understand.

I have started my official visits to the clubs of the district. I am asking the President, Secretary or program chairperson to contact me, so we can schedule a date & time for my visit to your club. I can be contacted by email bigb31353@gmail.com or my cell phone at 567-525-2582.

Please add me to your newsletter & email lists. My contact information: email me at bigb31353@gmail.com or call my cell **567-525-2582** anytime between 8:00 A.M. – 11:30 P.M. **“WE SERVE”**

Communications from VDG Don Wiechart

Hello fellow Lions of District 13 OHI, Lions at large and all others who may have the privilege of reading this newsletter.

I spent last weekend at USA Canada forum in Columbus. Ohio being the host state we had to do much of the volunteer work before, during and after the forum which helped us sleep well at night. That said, despite the long days, I actually did find the volunteer tasks enjoyable, especially, picking up and driving dignitaries from and back to the airport.

The strides walk was enjoyable, we were inspired by the talks given by John Pinero, John Pentz, Michelle Ray and we were also given a very inspired talk by our International President Gudrun Yngvadottir. We were also entertained by The Ohio State University band on Thursday night and The Ohio State School For The Blind at Saturday nights Grand Banquet. Great job

young adult Buckeyes students and school for the blind students! You made all of us from Ohio very proud.

Now I am aware that many complained about the food but even that got better when the week progressed. In closing, we also were recipients of many good ideas, liturgy and programs that our clubs, district and state may want to implement in the year/years ahead.

If you want to get some exercise and help out in the fight against Pediatric Cancer come to McComb on Saturday October 6, 2018 for the Steps Walk. Registration is on the 13 OHI District Facebook page.

Other events occurring the next couple of months on Wednesday November 7 will be The Vision Fair at The Lions Vision Center in Lima. The NWOLECF will meet on Wednesday November 28 at Henry's in Ottawa at 6:30 PM.

I have met with about half the clubs via, club, zone meetings or at club events. Looking to meet with the remaining clubs in the months ahead, if you have a specific date you want to meet please contact me at your earliest convenience. One final point, if your club has had a member who passed away since March 1, 2018 please contact me so that we can honor them in the necrology service at our district convention.

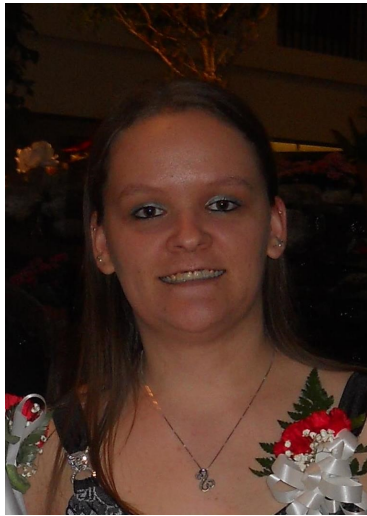

All the best until we meet again,

VDG Don Wiechart Bite Em!

Thoughts From 2VDG Ashley Schmunk

Hello fellow OH-1 Lions,

Some of you know me and some of you may not. I am Lion Ashley Schmunk, and I am your new 2VDG. A little about me: I am 28 years old and I live in Wauseon. I am the wife of PDG Nicholas Schmunk, and we have our beautiful son together Edward, whom is 2 1/2 years old.

I am from the Wauseon Lions Club, and I have served as Lion Tamer, Tail Twister, Vice President, and President in the Club. I have also served as Zone Chair for Zone A.

PDG Nick, Lion Cub Edward, and I attended the USA/Canada Forum in Columbus a couple of weeks ago. We had a lot of fun and fellowship with Lions from USA and Canada. We even had lunch with some Lions from the Yukon.

We volunteered with the Strides Walk and helped package back packs for pediatric cancer patients in Ohio. The back packs included stickers, temporary tattoos, crayons, coloring books, reading books, bracelets, and personalized get well cards. These back packs will be distributed between the pediatric cancer hospitals in Ohio. We also had fun going to several leadership sessions. If you ever have the opportunity to attend a USA/Canada Forum, I highly recommend it.

I want to thank you all to your service to your communities and I look forward to serving with VDG Dean and 1st VDG Don.

Yours in Lionism, 2nd VDG Ashley Schmunk

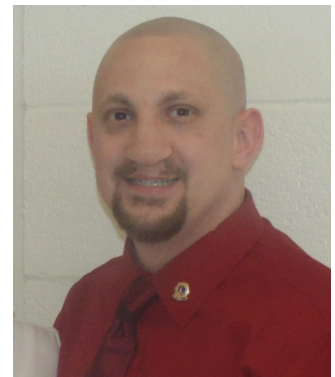

It's Never too Early to Think Ahead

Time truly does fly during the Lions year. It just felt like yesterday that we started a new Lions Year, and now it's October. Everyone has been very busy serving their communities, but I am reminding you that your District Officers are here to Serve You, when and if you need it.

I know this is a little early, but I am excited to announce that we will be having two Club Officer Trainings this year. We will have the first training at St. John's Lutheran Church in Holgate, OH on April 27, 2019. We will have the second training at the Kenton Middle School in Kenton, OH on May 25, 2019. Hopefully this will accommodate all the clubs within the district, so everyone will be able to attend.

More information will come after the holidays. I thank all of you for all your great service to your communities. Remember that everyone in service is a leader in their own way. Some lead by being vocal and out front, and others lead by being behind the scenes working extremely hard to help those in need.

Yours in Lionism, PDG Nick Schmunk, 13 OH-1 GLT Coordinator

LCI FOUNDATION NEWS

**Lions Clubs International
FOUNDATION**

Greetings Lions of District OH1:

As some of you Lions know the District applied for a LCIF matching grant January of last lion's year, 2017. This grant was to help Kaitlyn's Cottage of Defiance – ProMedica Regional Hospital, purchase a "Tobii Dynavox Eye Tracker" device and supporting equipment. The grant was approved by International Board of Directors, matching grant funds was donated and collected, grant money received by the District and presented to Kaitlyn's Cottage on May 31, 2018.

The "Tobii Dynavox Eye Tracker" device and equipment has been purchased and installed at Kaitlyn's Cottage. The District and Kaitlyn's Cottage are planning a "Demo – Unveiling Event". The event is scheduled for Wednesday, October 10, 2018 at 3pm at Kaitlyn's Cottage with special invites going out to all donating organizations that helped make this possible.

For those that may not be aware what the "Tobii Dynavox Eye Tracker" device is, it is a small computer that has the software program that helps non-verbal handicapped individuals communicate with their caregivers by use of a computer screen just by movements of the individual's eyes. This is a truly remarkable device that enables the non-verbal the gift of communication.

A great big thank you goes out to all the clubs and organizations for their generous donations that made this possible.

PDG Sheryl Burnette (LCIF Grant Project Coordinator)

245 persons die each day from measles; there is a 15% rise in natural disasters each year; 800 million people go to bed hungry; 400 million people live with diabetes; every two minutes a child is diagnosed with cancer; 253 million people are blind or visually impaired. How can we serve?

June 2018 marked the 50th anniversary of Lions Clubs International Foundation which has empowered Lion service worldwide through a staggering US \$1 billion in funding for 13,000+ grants.

However, this is just the beginning. As we look back, we must also look forward to the next 100 years. Dr. Yamada, Past International President, announced the new capital fundraising effort, Campaign 100: LCIF Empowering Service.

Consider participating in the Campaign 100 movement. When all Lions together donate to this goal of **US \$300 million**, it insures a brighter future in the next 100 years-and beyond for a world in need.

PDG Barbara Plaugher District LCIF Coordinator

Why the Fight Against Diabetes Is One of Our Global Causes

Diabetes is one of the most pervasive and fast-growing diseases in the world today, It affects people of all races, income levels, and ages-even children.

Lions Clubs International Foundation is responding to this global epidemic by committing to help prevent diabetes and improve the quality of life for those who have been diagnosed through multi-faceted , comprehensive health initiatives.

Why is November 14th World Diabetes Day? November 14th is a significant date in the diabetes calendar because it marks the birthday of the man who co-discovered insulin, Frederick Banting. Banting discovered insulin in 1922, alongside Charles Best. — **From the October Holgate Lions Club Newsletter**

NORTHWEST OHIO LIONS EYE CARE FOUNDATION

Because We Care

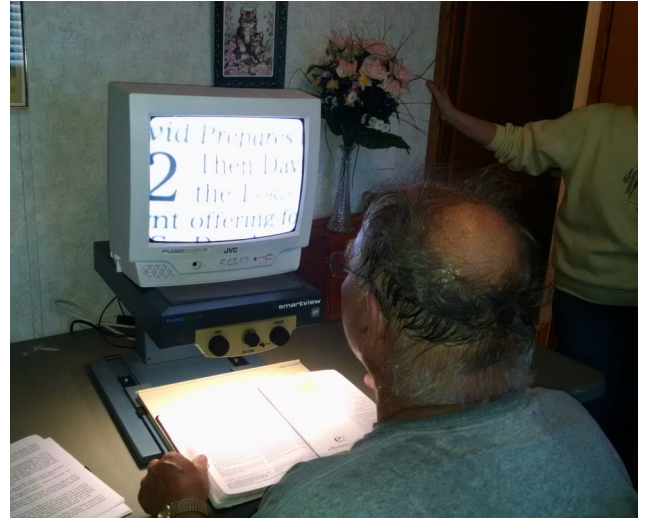

PDG Craig Gauger and Lion Bob Segna installed a loaner NWOLECF CCTV unit this past weekend in Weston, Ohio. The recipient was very happy to have access to the unit that magnifies text and anything placed below its camera.

He was especially happy to be able to once again read his bible which had become impossible with his diminished eyesight.

Currently the Foundation has 17 units in use throughout Northwest Ohio with others available for loan.

If you know of a person with failing eyesight, have them contact PCC Darlene Roll at 419-371-5515 or email bhr8456@embarqmail.com for an application.

McCormick Vision Resource Fair

Goodwill Easter Seals Miami Valley and Community Partners invites you and those you serve to the **McCormick Vision Resource Fair on Wednesday, November 7, 2018 from 9:00 a.m. to 1:00 p.m. at Goodwill Easterseals on 2350 Allentown Road, Lima, Ohio 45805.**

Our goal is to share resources and information with the community on education, services, vendors, organizations and businesses who provide services, support and products to assist individuals blind or visually impaired. The McCormick Vision Resource Fair is named in memory of Judy McCormick, valued employee of the GESMV Vision Services department, who passed away in 2016. Judy assisted many youth and adults in managing their vision loss. Her kindness, encouraging words, and compassion for those she assisted is greatly missed.

Among the speakers for this event will be Barbara Corner, Attorney for Disability Rights Ohio; Vivian Mooney from Eschenbach Optik of America; and Dr Mary Shenouda, who rallied Lions Clubs in the service area to donate the funds needed to obtain the LCIF matching grant to build the Lima Vision Center. Lance Detrick, GESMV CEO & President Craig Seitz, GESMV Board of Trustees will be on hand to welcome the community.

There will be vision screenings by Prevent Blindness Ohio, and flu shots by Walgreens. Vendors attending include Disability Rights Ohio, Eschenbach, OOD, Enhanced Vision, NFB, ULVA, HIMS Inc., GESMV Adult Day Service, GESMV Matter of Balance, Pilot Dogs, Veterans Administration, Radio Reading Service, Terry O' Brien, AgrAbility, OSU Extension, Low Vision Coalition, Area Agency On Aging, and iPhone/iPad. Lion's Recycle for Sight asks that you bring any old prescription eye glasses to recycle!

Thank you for considering participation in our vision resource event!

STEPS Walk/Run For Pediatric Cancer

On Saturday, October 6, 2018, Lions from across the district met at the McComb Village Park for the 2nd annual OH1 STEPS 5K. The event raises awareness and money for Pediatric Cancer Research in

Ohio. 18 runners and walkers along with 10 “virtual walkers” participated in this year’s event.

So far this year, OH1 STEPS 5K has raised over \$700 towards Pediatric Cancer. Donations in support of the walk will continue to be collected through November 2018.

Please contact Lion Jessica Reichley at kjreichley@yahoo.com or send donations to Lion Deb Crawford (P.O. Box 765, McComb, Ohio 45858) payable to Ohio Lions District 13 OH-1.

Thank you to everyone who has supported this event!

We look forward to even more walkers and runners in 2019! Together, the Ohio Lions of OH1 are fighting pediatric cancer one small STEP at a time!
