## SEEK 5,000 MEN FOR LIMA PLANTS

### Addition of 150 Laborers Daily Reported as Plants Expand

LIMA, Aug. 30.—Announcing that there is work here for 5,000 more men, Lima's war industries have called attention to the fact that expanding plants are increasing production and that more jobs are opening than there are men to fill them. Plants included in the expansion are the Lima Locomotive Works and Army Tank Arsenal, Ohio Steel Foundry, Ohio Gun Plant, Westinghouse Electric and Manufacturing company and the Superior Coach corporation, as well as a score of smaller plants working on defense contracts.

In the appeal for more help, a war industries spokesman said that even men without factory experience could be used as there are tasks they can accomplish with credit to themselves and to the nation.

About 150 men are being hired daily. It is expected that 2,300 construction workers will be employed at the new plant of the Ohio Gun company by the end of September.

A survey is being conducted to secure 1,000 rooms to quarter workers engaged at the new concern. Volunteers are making a house-to-house canvass throughout the city in order to secure accommodations for the incoming workers.

## High School Youths Drill at Mansfield

MANSFIELD, Aug. 30.—(P)—Mansfield is conditioning some of its boys for army service.

Nearly 100 high school youths between 16 and 19 years of age get one weekly drill under guidance of American Legion war veterans in calisthenics, manual of arms, military, courtesy and infantry maneuvers.

Most of the boys probably will be in the army soon anyway and it won't hurt them to know what it's all about when they go in," said Sam V. Fox, legion post commander, who helped organize the drill.

## Reports 10,000 Jews Are With British Forces

KANSAS CITY—(INS)—Fighting in the British ranks against the Axis hordes today are 10,000 Jews, according to Rabbi Barnett Brickner, of Cleveland.

Rabbi Brickner, an executive board member of the American and World Zionist organization, made that statement in a lecture in Kansas City.

"Although it is little known there are 1,500 Palestine Jews in the Royal Air Force," the rabbi asserted. "Jews are fighting in the Near East, and they fought with honor in Crete and Libya."

Palestine, he revealed, has been a source of supply for the British forces. Cantonments have been built and technicians have devised roads for the expeditionary troops.

Two million casualties have occurred among the Jews of the world in the war so far, he said, adding "and there probably will be two million more before the war is finished."

Concluding he declared: "The Jewish people have suffered more than any other race as the world population of Jews is only 16 millions."

CAMP STEWART, Ga. (INS)—Soldiers at Camp Stewart—anti-aircraft training center—will be shaving and saving at the same time after September.

An official announcement received by this post from the Jersey Quartermaster Depot—which purchases all razors for the Army—revealed that several hundred thousand plastic razors are now on order and will be ready for issue during September.

The announcement pointed out that this will effect a considerable saving of brass, nickel and other vital metals, which will be diverted to combat purposes.

In addition, it was stated, the plastic razors will provide a more comfortable shave for American troops, and they will be easier to use and will not get hot.

## MATERIALS DRIVE BRINGS 20 TONS

### Continental Begins 60-Day Campaign for Scrap Supplies

CONTINENTAL, Aug. 30.—The jingle, jangle up and down the main street of this village all day Saturday did not come from juke boxes, but from the steady rattle of vehicles hauling 20 tons of scrap materials that initiated the first day of Continental vicinity's 60-day drive for all sorts of reclaimable materials.

M. E. Brooks, of Palmer township, won the ten dollar award for sending the most scrap over the scales at the Lester Wolcott coal yard and Vern Aurand, also of Palmer township, was a close second.

Adding to the clatter as the day proceeded were dozens of children's express wagons on their way to the depot, where the owner's hoped to weigh in the necessary 25 pounds to gain admission to a feature picture show.

The Continental high school band entertained both afternoon and evening. Edward E. Warren, Leipsic, Democratic nominee for congressman from the 5th District made a brief address in which he urged his audience to garner all available used materials during the sixty days allotted for the Continental and vicinity campaign.

Stress was laid on the ease with which valuable used scrap may be overlooked. One farmer reported that during the first drive he cleaned up his place. Last week, however, he went over the farm again and was surprised to pile up another 1,200 pounds that he didn't need.
