## Thoughts from Governor Bill

Namaste! The Devine in me salutes the Devine in you. These are the words of our new International President, Nasar Aggarwal. He reminds us that our motto this year is WE SERVE. We have been serving our communities for the last 100 years, but now is the time to realign our projects for our second century of service. We are planning to serve 200 million people by the year 2021.

Our new centennial service challenge will is as follows.....

- 1 Environment
- 2 Vision
- 3 Hunger
- 4 Diabetes
- 5 Pediatric Cancer

We shall protect and improve our environment to make our communities a healthier place to live. In vision we will help prevent future cases of blindness through vision screenings and educational events. Improving access to healthy food for vulnerable populations in our communities. Make people aware of the epidemic diabetes has become worldwide. New tour challenge is Pediatric Cancer. Only 3 percent of all monies currently raised for cancer research goes toward pediatric research. These are very ambitious goals, but with 1.5 million Lions working together we shall accomplish our agenda.

Please remember to promote all your service and fund raising activities. Use Facebooks, twitter and all other social media in your advertising. If we are to get younger members we must haunt the areas were they hang out. The more members we have the more we can accomplish.

Lion Ellie and I would like to thank the clubs we have visited so far for their kindness and generosity. I am revising my visitation schedule and will have the District Webmaster release it soon. My theme this year is Soaring through Service. I am sure we will reach new heights.

*In remembrance of PDG Marvin Crawford*

## Youth Committee

Have you heard the phrase, “It’s a Secret – One of Ohio Lions’ Best-Kept Secrets”? Do you know what that secret is? The secret is “Youth”!

The Ohio Lions State Youth Committee promotes and coordinates youth-related activities throughout Multiple District 13 and each District Youth Committee Chair, along with the District Leo Chair and the Lions Cub Program Chair, serve throughout District OH1. All of your district chairs are willing to help clubs become more involved with youth-related projects.

What are some of the ways that your club can do that? Consider involvement with some of these youth-related activities and events:

- *STEPS Walk (5K Run)* – for Pediatric Cancer Research – at Ohio Northern University on Sunday, October 1, 2017
- *Peace Poster & Peace Essay Contests* – Peace Poster Kits available until October 1, 2017 – work with your local school or an organized youth group to have youth ages 11-13 on November 15, 2017, create posters or visually impaired youth prepare essays
- *Leo Clubs* – We have 5 clubs in District OH1 (Coldwater, Columbus Grove, Hardin County, Ohio Hi Point and Swanton. Do you know that Leo Club members enjoy helping with Lions’ projects – and bring new energy to Lions clubs?
- *Lions Family Cub Programs* – What is a way to get new, younger members? Consider a Cub program. If a parent is a Lion, there are activities for young children to be involved in activities – both during meetings and with projects.
- *The GOOD Program* – This program, offered by Lion Ron Derry, is motivational and a great way to be involved with your local schools.
- *Liberty Day Foundation Program* – Liberty Day booklets containing the Declaration of Independence and the U.S. Constitution are available for \$1.00 per booklet from the Youth Committee. There are even lesson plans, etc., that can be used to help youth learn about these documents.
- *USA-Canada Lions Leadership Forum* – September 20-22, 2018 (yes, in a little more than a year from now), Ohio Lions will host the Forum in Columbus. More than likely, on Saturday, September 22<sup>nd</sup>, there will be a “Leo Day”. Leo Club members and advisors, please put it in your calendar now to attend that day – and other days if you can.

As you can see, there are numerous ways in which to become more involved in youth-related projects. Please let us know how we can help your club to be more involved.

For the Youth, Leo and Cub programs,

In Lionism,

PCC Darlene Roll

## A Line From VDG Dean

### Hello Lions of OH1

**Club Secretary's & President's please note:** One of my duties as 1st VDG is the memorial service at the District Convention for those Lions who pass during the year. I am asking all club secretaries that after they have reported the passing on their MMR reports to send me an email with a short Lions Bio & a picture of the Lion so we can make sure to include them in the memorial service, please do this right away and not wait till just before the convention.

Some clubs are still showing in Internationals records as no report of new officers, Secretary's please make sure you have submitted your PU 101 to International and a copy to the Cabinet Secretary.

Last year there were quite a few clubs that showed no activities on their monthly reports in MYLCI, even when they did report membership numbers. Please try to complete both reports quickly and accurately every month.

**An Early start:** I am beginning to put together my cabinet for the 2018-2019 Lion Year, any Lion in the District who is interested in being considered for a position on the 2018-2019 cabinet is asked to contact me either in person, by phone, email or letter advising your interest and the position or positions you would be interested in serving. Every year the incoming governor also has a challenging time filling the local positions of Zone Chairperson, the zone position does involve some local travel of 1 visit to each club in the Zone, and occasional travel to a district meeting. You as zone chairperson can work with the clubs in your zone to visit the clubs on a schedule that works for both you & the clubs. Please think about serving your Zone and District in a position beyond the club level. If you are interested or would like more information about these positions, I will be glad to answer your questions. My contact information is located at the end of this message & the District directory that will be out soon.

I am available to visit your club for a meeting, to answer any questions you may have, to induct new members, to assist with membership recruiting, to support your projects, or make awards presentations, install officers. I consider it an honor to attend your meetings and projects and represent our District and Lions International. Please contact me if there is anything I can do to assist you.

Please also add me to your newsletter & email lists. My contact information: email me at [bigb31353@gmail.com](mailto:bigb31353@gmail.com) (if you have problems with that email use [ndc1353@hotmail.com](mailto:ndc1353@hotmail.com)) or call me on my cell 567-525-2582 anytime or day between 8:00 A.M. – 11:30 P.M.

**“WE SERVE”**

## President's Message

Dear Lion,

Growing up in Batala, India, I witnessed the amazing power of service firsthand. I watched daily as the Golden Temple—the holiest of all Sikh temples—operated one of the world's largest soup kitchens, distributing up to 300,000 meals to people of all ages, races and denominations.

I knew I wanted to do something to change Batala and the world. And I found that opportunity as a Lion. It changed my life. And the longer I served, the more I realized just how important our moto, "We Serve," truly is. That's why it's my theme for the year.

I also realized that as individuals we can only do so much. But when we work together, 1.4 million of us can make the impossible a reality. Just imagine the impact of each of us serving just one more hour per week—that's 73 million more hours of service each year. That is **the Power of We**.

I realized that solving our world's greatest problems is within reach when we work together to change lives and make the world a better place through service. That is **the Power of Service**.

And I began to see how we could take advantage of our global presence by engaging Lions in communities all over the world. That is **the Power of Action**.

As your international president, it is my honor to guide this great organization into our next century of service. You can learn more about my vision for Lions and download my presidential program by visiting the president's program page. I can't wait to work with you to make this vision of our second century of service a reality.

Sincerely,

**Dr. Naresh Aggarwal**

**Your International President**

### Support Our New Global Causes

Service defines us. It's why Lions change the world, day after day. Set your sights on new and emerging needs in your community and the world by supporting our new global service framework. Learn more about our **new global service focus, diabetes**, which impacts more than 420 million people around the world. And put the Power of Service into action by taking part in the Centennial Service Challenge, which is a great way to support the new framework.

Share the service framework with your club. Let's make this our biggest year of service ever!

### You Can Still Earn Centennial Recognition

We are beginning the final year in our Centennial Celebration, and it's your last chance to earn your Centennial Membership Awards. So encourage your Lions to invite new members. Not only will they earn their Centennial Sponsor pin and certificate, they'll increase your service impact and put your club on track for its own Centennial recognition.
