*Serving with Pride Since 1920*

## NEWS RELEASE - For Immediate Release

In response to the devastation of the December 11, 2021 tornadoes, Ohio Lions are mobilizing resources to serve citizens of western Kentucky.

Lions Clubs International is an organization of service. When weather events have occurred in the Buckeye state, our Kentucky Commonwealth neighbors responded to our needs. It is now our turn to respond in kind.

The Lions motto is "We Serve!" Today our Lions are working to support those in Kentucky who were impacted by these storms. Please join us with your financial contribution. Checks written to Ohio Lions, Inc. In the memo of the check, please write: KY Disaster Relief. 100 percent of your money will go to the people affected by the tornadoes.

Any amount you can spare in this holiday season to give back to those most in need is greatly appreciated by the Ohio Lions! Ohio Lions will be accepting donations through January 31, 2022 to assist Western Kentuckians. Thank you in advance for your help.
